Well, for our office here, please send a copy of any final agenda to Andrew Mutter, Diana Bellamy (for Betsy), and me.

Not sure if the Senators need it. I haven't seen a request on this side. The Colonel's assistant has not asked but I can forward your final to her.

Myself, Betsy, Doug and the Colonel, also in town and my participate in portions would be Deb McKean, Christina Progress, Dania Zinner, Kate Garufi in Libby. County Commissioners: Mark Peck, Jerry Bennet, Mike Cole.

In Columbia Falls, myself Doug and Betsy. City Council, Mayor and County commissioner have been invited, have not heard back yet.

Also Chad Campbell from Senator Tester's office and Ron Catlett from Senator Daines office have been notified and invited. They have stated they will be participating in CFalls, but not sure if they will make it to Libby as well.

Mike,  
I know it is more detail than you normally do, but Doug likes me to put actual appointments on his calendar for EACH activity. If I don't know beginning and ending times, I can't do that.

Can you please give me some additional details with beginning and ending times? What time is dinner? What time is breakfast? When is the meeting over with the Commissioners?

Thanks much.

Hi Diane,

The Schedule below should work fine. I would suggest the colonel get a rental car as taxi service from Kalispell to Libby would be outrageously expensive and hard to find. I don't see why Doug would need a car.  
I appreciate you checking on things, it is always better to know then have to worry about it later.

We like to have some flexibility on our site as it is a large area and many items to take in.

**Draft Trip Itinerary:**

- June 3 - Fly into Kalispell, MT.

Hi Mike,

Do you have a final agenda? I need to send to the Colonel's assistant.

Did you get any confirmation for the Commissioner's attending the Columbia Falls tour?  
 Just FYI, the Colonel will NOT go on the Columbia Falls tour. His return flight from Kalispell is Tuesday morning, June 5. He will be staying at the same hotels as Doug though, for the nights of the 3<sup>rd</sup> and 4<sup>th</sup>.

Mike Gleason signed off on the dinner you want to host the night of June 4, it saying it was ok since it is a "pot luck" and everyone contributes something. (I have to run everything through Mike to be sure we don't create a bad situation for Doug.) I just spoke to Doug and he said yes, he is up for doing that before going back to Kalispell.

Oh, and the Colonel is coming in on a later flight on June 3, and will meet up with everyone at the Venture Inn (he plans to take a taxi all that way), so please make sure you note the on the agenda, the location and time at the hotel that everyone will meet up for the tour the morning of June 4. I will have a car on Doug's travel but if all the travel is confirmed and taken care of, I can cancel it. I just want to be sure.

Thank you very much for your help.

Diane,

I will escort Doug, Betsy, and the Colonel to Libby, and I will also have a car since I will need to drive with Betsy to Missoula after Columbia Falls. I am happy to drive everyone to Libby on Sunday. Mike Cirian has offered that he would drive Betsy, Doug, and the Colonel to Columbia Falls on Tuesday morning. He will also drive Doug and the Colonel to the airport on Tuesday afternoon. This would negate the need for Doug to rent a vehicle, unless he would like to have time alone with the Colonel on the way to Libby. Mike is putting an itinerary together to help us pull all the pieces together on this busy trip!

Dania, thank you. I already have Doug booked at the hotels he needs. He is staying at the Venture Motor Inn the night of June 3, and at the Springhill Suites Kalispell the night of June 4. That puts him in place to be ready to head for Columbia Falls early on June 5. He will need to be back to the Kalispell airport no later than 3:30pm on June 5 to turn in his car and for both Doug and the Colonel to catch the 5:08pm flight.

I will be getting Doug a car as Colonel Hudson will likely be traveling with him to Libby and to Columbia Falls.

Mike will you be setting up all the meetings at both locations and putting the agenda(s) together?

Will Christine be escorting Doug and the Colonel to Libby and Mike escort them to Columbia Falls? You will both meet them at the hotels?

Dania, Thank you for the Libby site code. Does anyone have the site code for Columbia Falls?

Diane and Diana,

Sounds like Christina Progeess can fly in on the 2:17 flight from Denver to Kalispell on Sunday 6/3 as well. So she can rent a car and drive Doug and Betsy to Libby. Most people stay at the Venture Inn in Libby (<http://ventureinnlibby.com/>) if they want to stay there that Sunday evening (6/3/18). Site code for Libby is 08BCRARA. Tell me if you need any other travel info. Thanks for organizing!

All,

It is confirmed that Colonel Hudson is available to travel on Sunday, 6/3 and can accompany Doug for both the Libby tour and the Columbia Falls tour. The Colonel will need to return by 6/6.

I will arrange Doug's travel itinerary and share that with them but we should move on this quickly so I can get back to them.

Let's start with the plan for Doug to fly into Kalispell Sunday on the 2:17 flight and have him drive to Libby that afternoon so the start on 6/4 (Monday) can be early. Plan to do the Libby tour the morning of 6/4, and drive back to Kalispell and stay Monday night. Drive to Columbia Falls the morning of 6/5 for those events. Plan for a return to Denver that Tuesday afternoon (6/5).

Will this work?

Mike, can you and Dania work on the details for the tours and include Andrew Mutter on any details where there might be any public meetings or media involvement?

Hello All,

I'm sure we can accommodate both sites and get Doug back on Tuesday evening.

Just a quick stab at a schedule:

Doug gets into Kalispell Sunday evening, heads over to Libby either that evening or first thing Monday Morning June 4th and we spend the day touring Libby and meeting with some local officials.

Tuesday Morning leave between 7:00 and 8:00 am and head to Columbia Falls. Have a site tour of the CFAC plant and invite congressional staff to join as well as local officials if wanted as well. There is a conference room at the plant we can use to have some follow up discussions with staffers and city officials after tour if needed. That would leave Doug plenty of time to catch the 5:00 is flight out of Kalispell. ( I know it was important to Senator Tester for Doug to see the CFAC facility).

Let me know if you need more info for moving forward.

Diane,

Thank you for reaching out so we can plan the visit to Libby. COL Hudson is not in the office the week of June 18th, however is available June 5-8 and 13 - 14. If any of these dates work for your Director please let us know and we will place it on the calendar. If not we will have to push the visit into July when the COL's Calendar is a bit more open.

Hi Ryan,

When Colonel Hudson visited EPA Region 8 last fall, there was a discussion about a joint visit out to Libby, Montana. I was asked to connect with you to see if we could come up with some potential dates when this could happen.

Regional Administrator, Doug Benevento, will be making a visit out there the first few days in the week of June 18, but he can make more than one visit out if he needs to.

Please provide me with some dates in May and June when Colonel Hudson might be available for this joint visit.

Thank you.
